Gladiolus Price List
OREGON
COAST-GROWN
BULBS
MORRIS BULB CO., Waldport, Ore.
1928-1929

This is the only price list we issue

READ THIS BEFORE ORDERING:

We exercise the greatest care to have everything true to name. We will replace any stock untrue to name or refund the money. We want only satisfied customers.

Terms—Net cash before shipment; 25 per cent deposit will hold orders until March 1st or as soon as danger from frost is past. Orders not fully paid will be sent C. O. D. for the balance at that time.

½ dozen sold at the dozen rate; 25 bulbs at the hundred rate. A single bulb at a tenth of dozen rate except that no single bulb is sold for less than 10 cents.

250 bulblets at thousand rate.

Shipment—We pay transportation charges on orders of $1.00 or more.

All stock offered, and orders accepted subject to prior sale.

Substitutions—If we are out of size ordered we will send larger quantity of the next smaller size we have in stock, unless you request us not to do so.

Stock limited in some varieties and sizes.

Where prices have dropped, we protect our early customers by adjusting the prices or adding bulbs.

Sizes—Large (L) 1¼ inch up; medium (M) ¾ to 1¼ inch; small (S) under ¾ inch. We give liberal count and often extras.

Members of American Gladiolus Society; Northwest Regional Society.

“I hereby apply for membership in the American Gladiolus Society, and enclose $2.00 as annual membership dues, $1.00 of which is for a year's subscription to the “Gladiolus Review” published by the American Gladiolus Society.”

Collection No. 4—1 blooming size bulb or 2 smaller bulbs of six good European petals darker red. Pastelle, a very delicate shaded flower in the cream pink and yellow pastel shades—wonderful in bouquets, tall, a good grower and producer.

Collection No. 1—25 bulblets of each of the two of our originations—Hilarity, a bright red with a lemon throat—almost like a face—very prolific and attracts much attention. Lower petals darker red. Pastelle, a very delicate shaded flower in the cream pink and yellow pastel shades—wonderful in bouquets, tall, a good grower and producer.
